

AdvancedGel ECD Evaporator Cleaner & Disinfectant

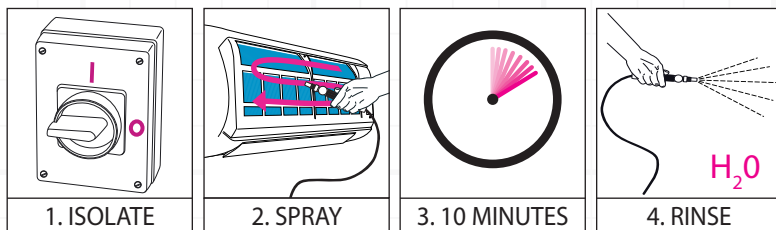

SPECIAL FEATURES

Kills 99.9% of odour producing bacteria

Powerful cleaning action will remove dirt, slime and mould

Improves energy efficiency of unit

DIRECTIONS OF USE

Each Evaporator Cleaner & Disinfectant Gel pouch is designed to make 8L of usable product. The easiest way to do this is to pour the entire gel sachet into the bottom of our HydroSprayer and then fill with water up to the 8L mark. Alternatively, the product can be mixed in smaller volumes, using 1 part product to 15 parts water. Once the water is added, the product will be ready to use in 5 minutes.

To start using the Evaporator Cleaner & Disinfectant Gel for evaporator cleaning, turn off the unit and isolate the electrics. Apply the diluted Evaporator Cleaner & Disinfectant Gel, with a low pressure sprayer, set on a coarse spray pattern, working from the top, across and down. Ensure the coil is soaked and then allow the product to work for 10 minutes. After 10 minutes, thoroughly rinse the coil with fresh water.

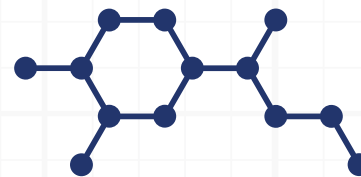

Diluted Advanced Evaporator Cleaner & Disinfectant Gel is safe to use on units which have a condensate pump fitted.

Store upright in a cool, dry place.

Disposal

Product: Incineration on land

Container: Clean with water. Dispose of as normal industrial waste. Do not reuse empty container.

Technical Data Sheet

AdvancedGel ECD is an evaporator cleaner and disinfectant which has been formulated to address concerns over indoor air quality. Its highly effective cleaning action improves the efficiency of your system, while its disinfectant ensures total hygiene. The improved formulation now includes a high-strength disinfectant that kills 99.9% of germs. This gives extra reassurance that the unit is safe and clean.

PRODUCT SPECIFICATION

Name	AdvancedGel ECD
Product Code	S010458GB
Packing Quantity	4 x 490ml
Packing Size (L x H x D cm)	22cm x 25cm x 12cm
Shipping Weight (kg)	3.48kg
Shipping Volume (m ³)	0.01m ³
Soils	Dust, airborne pollutants, bacteria, mould, slime

AdvancedGel

We're mixing it up!

Unrivalled cleaning performance - in the most concentrated pack on the market.

The AdvancedGel range covers the main HVAC/R applications meaning evaporators, condensers, drains and ice machines can all be cleaned and cleared using the powerful gel formulation.

Diluting AdvancedGel couldn't be easier - one part of the ultra-concentrated formula is mixed with 15 parts of water - so a single 490ml pouch contains enough to make 8 litres of finished product.

AdvancedGel ECD

EVAPORATOR CLEANER & DISINFECTANT

- Ready to use
- Aerosol
- Concentrate
- Condensate pump safe

KEY FEATURES

- Kills 99.9% of odour producing bacteria
- Powerful cleaning action will remove bacteria, dirt, slime and mould
- Improves energy efficiency of unit
- Makes 8 litres

Part No.	Product	Qty	Size
S010458GB	AdvancedGel ECD	5	490ml

Complies with EN1040, EN1275, EN1276 & EN14476.

AdvancedGel CC

CONDENSER CLEANER

- Ready to use
- Aerosol
- Concentrate
- Condensate pump safe

KEY FEATURES

- Cleans even the most stubborn baked-on deposits
- Leaves coils clean and visibly brighter
- Safe to use on aluminium or copper coils
- Makes 8 litres

Part No.	Product	Qty	Size
S010457GB	AdvancedGel CC	5	490ml

AdvancedGel UC

UNIVERSAL COIL CLEANER

- Ready to use
- Aerosol
- Concentrate
- Condensate pump safe

KEY FEATURES

- Powerful & effective cleaning against common dirt, including dust, lint & grease
- Biodegradable and environmentally friendly
- Improves energy efficiency of unit
- Makes 8 litres

Part No.	Product	Qty	Size
S010459GB	AdvancedGel UC	5	490ml

Hazardous transport. Complies with BS/EN 1276 & BS/EN 1040.

AdvancedGel DU

CONDENSATE DRAIN UNBLOCKER

- Ready to use
- Aerosol
- Concentrate
- Condensate pump safe

KEY FEATURES

- The heavy-duty formula will clear organic and inorganic blockages
- Heavier than water, it will sink and find the blockage
- Safe to use with condensate pumps
- Makes 8 litres

Part No.	Product	Qty	Size
S010461GB	AdvancedGel DU	5	490ml

AdvancedGel IMC

UNIVERSAL COIL CLEANER

- Ready to use
- Aerosol
- Concentrate
- Condensate pump safe

KEY FEATURES

- Clears heavy limescale and slime deposits
- Nickel and aluminium safe - suitable for all ice machines
- Colour indicator ensures product is completely flushed
- Cleans 1 unit

Part No.	Product	Qty	Size
S010460GB	AdvancedGel IMC	5	490ml
